# Message from Mayor Del Duca

The countdown to summer has begun, and the City of Vaughan is excited to present another year of incredible camps for children aged 4 to 16. Our diverse offerings of summer fun cater to various interests; from arts and crafts to sports and STEM, there's no shortage of things for kids to do and learn!

Our camps support the development of social and communication skills while fostering an environment where kids can form new friendships and strengthen old ones. Explore our 2024 brochure and see what the City has in store for your children this summer.

Sincerely,

**Steven Del Duca**

# Gateways to discovery & inspiration

*parks, heritage sites, schools*

**The heart of our community.** The City of Vaughan proudly preserves and opens the doors to several heritage buildings and parks, celebrating our rich architectural and cultural heritage. These locations are not just venues; they're gateways to discovery and inspiration.

Explorers can ride along the Don River (Maple Nature Reserve) or visit a home once owned by a Group of Seven painter and sit in the gardens he once painted in (Thoreau MacDonald House).

Browse the Summer Camps eBrochure and explore the many camps offered amidst the historical and natural splendour of these eight parks and heritage sites. A world of exploration and learning await!

## What you need to know:

This guide will help you and your child prepare for camp.

**When registering in PerfectMind, ensure all personal information is up to date**, including emergency contacts, adult(s) who are permitted to pick-up your child(ren) from camp site, medical history and dietary restrictions. For children with disabilities, please ensure that the required documentation is uploaded on the profile.

**Pre-Camp Communication:** Camp staff will contact parents/guardians if the personal information contained in your client profile is not up to date. This information will be verified at least once during the camp calendar year.

### Inclusion Support Request Deadlines

**Weeks 1-4: April 26 • Weeks 5-9: May 10**

Recreation Services attempts to accommodate requests for additional support for children with a disability. However, due to the number of requests, support cannot be guaranteed or may not be available during the session(s) of your choice. Cancellation & withdrawal information for 1:1 Inclusion Assistant support can be found in the [Frequently Asked Questions](#).

If your child is sick, they must stay home and parents/guardians must inform the Camp Director.

## Age requirements

- **Camps for Ages 4-6:**  
Required to be 4 years old by start of camp - no age override allowed.
- **Camps for Ages 7+:**  
Required to be of age by end of year (December 31, 2024) - no age override needed.

### Age Considerations and Exemptions:

Although age is not always indicative of a child's ability level, our camps are designed to be age appropriate. This includes consideration of cognitive, social and physical developmental milestones. While some camps may have broad age ranges, we understand there are inherent age differences. Therefore, in most cases and where appropriate, participants will be grouped by age and/or skill level. Age overrides are considered on a case-by-case basis. If your child does not meet the minimum age and you want them to be considered for an age

exemption, email [rec@vaughan.ca](mailto:rec@vaughan.ca) or contact your local community centre and ask to speak to a Recreation Lead. Guarantees for age exemptions cannot be made.

**Participants will be grouped by age and/or skill level.**

**Aquatic Camps:** All campers must be of age at the start of any aquatic camp. Due to health and safety guidelines, the City of Vaughan swim admission policy, and the requirements set by the Lifesaving Society, there will be no age overrides for aquatic camps. Refer to our [Swimming Lessons: Frequently Asked Questions](#) or email [swim@vaughan.ca](mailto:swim@vaughan.ca) for further inquiries.

## Recreational swimming

Children in full-day camps located at a facility with a pool (refer to the list of [recreation facilities](#)), will participate in recreational swimming throughout the week.

Parent/guardian permission is required for campers to participate in camp recreational swimming. This can be indicated when completing the questionnaire upon registering.

Recreational swim times, supervised by qualified City of Vaughan lifeguards and camp staff, have been scheduled into camp programs.

**Campers aged under 7 years** will not participate in recreational swimming. Alternate programming will be provided.

**For campers aged 7-9 years** who do not pass the admission standard, we will attempt to place them with a camp counsellor where resources allow. Should this not be possible, alternate programming will be provided.

Please review our [Pool Guidelines & Safety Standards](#) to clarify admission

## Code of Conduct

The City of Vaughan is committed to fostering an inclusive environment that reflects the rich diversity of our community. We strive to provide a respectful and safe program experience for both our participants and our staff. Should any participant exhibit disrespectful, inappropriate, or discriminatory behaviour, we will pursue disciplinary action, including removal from the program or camp.

## In support of a safe community...

The City of Vaughan promotes safety, respect, and civility for all users of City-operated facilities, and will take appropriate steps to deal with unacceptable behaviour as outlined in this Code. Consequences may include a verbal warning, removal from programs or a trespass ban.

The following behaviour is considered to be unacceptable and will not be tolerated in City-operated community centre facilities:

- Violent behaviour that poses a direct threat to any other person in the facility. This includes possession of weapons, sexual harassment, sexual assault, throwing of articles in a deliberate or aggressive manner, aggressive approaches to another individual or group, physical striking of another individual, and attempts to incite violence in others.
- Abusive or disrespectful language or actions. This includes harassment, verbal assaults, attempts to intimidate, profane language, inappropriate or obscene gestures, and racial or ethnic remarks.
- Disrespect for public property and the property of others. This includes robbery or theft, littering, defacement, vandalism and misuse of equipment.
- Other behaviour that will not be tolerated: horseplay, possession of or under the influence of drugs and/or alcohol, misuse of emergency exits, not abiding by rules and regulations, and trespassing or refusal to leave when directed to do so by staff.

View the complete “[Safe Community Centres Policy](#)” online at [vaughan.ca](#).

## Camper group requests

Unless otherwise stated, campers are grouped according to chronological age, and/or skill level. Occasionally, circumstances arise whereby it may be desired to group a child together with their friends or family of a similar age in the same program.

Indicate your request when registering, and we will attempt to accommodate to the best of our ability for no more than two campers of the same age. All parties involved must be aware and request when registering. These requests cannot be guaranteed.

## Camper with disabilities

If your child has a disability or requires 1-on-1 support, please email [inclusion@vaughan.ca](mailto:inclusion@vaughan.ca).

## Camp hours

The camp day is 8:30am to 4:30pm at most locations. Camp programming runs from 9am to 4pm. Parents can drop off between 8:30am and 9am and pickup between 4pm and 4:30pm. Before & After Care is available for campers who require care before the camp day begins, from 7:30-8:30am, and after the camp day has ended, from 4:30-6pm. Separate registration is required.

## Before & after care

Need to drop off your child early and pick them up late? Our supervised Before & After Care program is available for campers who require care before the camp day begins, from 7:30-8:30am, and after the camp day has ended, from 4:30-6pm. Children enjoy fun camp activities and games.

**Note:** Must register for Before & After Care at the same location as your child’s camp. Before & After Care is not available for camps located at heritage homes, parks, the City Playhouse Theatre, Vaughan Studios & Event Space, or for any half-day camp. Registration for single days is not permitted and fees are not adjusted for half-time use.

Remember to pick up your child(ren) on time after their long (but fun!) day at camp. Repeated lateness will be subject to a late fee charge, and may result in removal from the program for the duration of the session with no refund.

## Pick-up procedures:

- Photo ID will be required at each pick-up.
- Self sign-out is allowed for campers 10 years of age or older with signed permission.
- Campers will be released to only those people listed on the PerfectMind client profile.

## In case of emergencies

Call Service Vaughan at 905.832.2281 and ask for the customer service desk at the community centre of your child’s camp to contact the Camp Director during camp hours.

### Camper lateness, absenteeism or changes to pick-up/drop-off

Leave a message for the Camp Supervisor if your child is going to be late, absent or if there are any changes in your pick-up/drop-off routine immediately. We will follow-up with a phone call if a camper has not arrived by the camp day start time.

### What to bring

We ask that your child brings only the recommended items to camp in an effort to keep personal items to a minimum.

#### Everyday requirements:

- Pack these items in a backpack and ensure ALL items are clearly labeled
- Individually packaged peanut/nut-free lunch and snacks (am/pm). No sharing allowed
- Refillable water bottle & extra drinks
- Sun hat, sunscreen & bug spray (campers must be able to self-apply)
- Wear closed-toe shoes every day
- Hand sanitizer is provided; campers are welcome to bring their own

Refer to our [Registered Programs Frequently Asked Questions](#) webpage for more information and additional “how-to” videos.

### Outdoor Adventures Camps

These camps fully operate outdoors and campers “weather” the elements. Ensure your child dresses appropriately and is able to enjoy the entire day outdoors. However, if inclement weather compromises camper safety or negatively impacts the quality of programming, the camp may temporarily be relocated indoors to a nearby City facility.

In this situation, camp staff will advise parents as soon as possible on where to drop off their child for the day. Parents can also call the City’s Weather Hotline (905.832.8500 ext. 7610) for the latest updates. If considered a significant weather event, parents may be contacted and asked to pick up their child from the camp site in a timely manner.

#### Weather Hotline

905.832.8500 ext. 7610

This hotline will have an outgoing message that will be updated in the event of inclement weather and extreme weather alerts. **Messages cannot be left at this extension.**

#### Lost & found

Please inquire, at drop-off/pick-up, regarding any lost items. Lost items will be kept for one week following the end of camp.

**Note:** The City of Vaughan does not accept responsibility for items brought to camp, which are lost, stolen, or damaged. To avoid disappointment, campers are encouraged to leave their personal items or money at home.

#### Camper safety & security

Recreation staff will make every effort to integrate a participant into programming and accommodate their individual needs.

If a child demonstrates challenging/difficult behaviour, staff will endeavour to provide the necessary assistance to minimize that behaviour using positive behaviour management strategies. If a child is involved in any incidents, parents will be notified immediately.

### Guidelines on food allergies

- Campers must not share food.
- The City of Vaughan is “nut aware.” All parents are asked to diligently check ingredients and avoid known allergens. The ingredients to look out for include, but are not limited to, nuts of any type, eggs, milk, etc.
- Staff will monitor snacks and lunches if there are known allergies in the camp group.
- All parents share in a responsibility to read food labels and to not send products that contain/may contain traces of peanuts/nuts, or that do not carry a complete list of ingredients (i.e. bulk food, from on-site bakeries, etc.).

Where there is a life-threatening allergy to nuts or other allergens (confirmed by a family physician note), parents will be notified by letter, and requested to avoid sending the identified food. Special lunch screening is conducted.

- Campers with items known to cause life-threatening reactions, will be moved to a private area to eat their food. Staff will instruct campers on proper hand washing techniques for before and after meals.

### Medical information & medication

Ensure all medical information is up to date on your PerfectMind client profile. Learn more about viewing and uploading documents to your customer profile on our [Registration FAQs](#) webpage.

Campers requiring medication at camp must affix a recent photo to a signed [Medication Dispensing Form](#). Medication must be stored in original containers only and will be kept securely in the camp office. Please note that camp staff can assist campers with dispensing medication, however staff cannot administer medication.

**Note:** Recreation Services staff are not responsible for lost or damaged medications left in the campers’ care.

### Life-threatening allergies

Campers with a life-threatening allergy are required to complete the [Anaphylaxis Emergency Plan](#) early to ensure the camp site is well prepared for the camper’s needs.

When complete, upload to your PerfectMind client profile, under the documents section.

# Summer Camps

## Creative Arts

### Film Making

9 - 13 years

Delivered in partnership with *Film Camp in a Box*

Action, adventure, comedy, and suspense await you! Using our equipment and under the guidance of a master filmmaker, young filmmakers learn how to storyboard, develop a script, create camera angles, edit, add special effects, music and titles. The result... a blockbuster to enjoy on the big screen with family and friends.

**What's in the box:** MacBook Air loaded with how to make a movie content, Pro HD camera, tripod, green screen, boom microphone with pole, and a kid-friendly how to make a movie guide.

## Music Video Production

9 - 13 years

Delivered in partnership with *Film Camp in a Box*

Rock ‘n’ roll all night and every day! Mentored by master filmmakers, campers will engage in hands-on exploration of the music video production process, including pre production, production and post production. Working collaboratively in small crews, they will learn about cinematography specific to music videos and advanced editing techniques. Using an existing song, campers will listen to the lyrics, learn them and create a story, encapsulating the theme of the lyrics. They will then act in and edit their full music video. Each film crew will use a Macbook, Final Cut Pro, an HD camera, tripod, and green screen to make their music video.

## NEW! Summer Art Studio

8 - 13 years

Spend the summer sharpening your artistic skills in drawing, painting, sculpture, mixed media art and more! Showcase your one-of-a-kind pieces in an end-of-session art expo for family and friends, with select pieces featured on our Instagram page. Special event days and other camp-related activities complement the art instruction.

**Lil Sous-Chefs**  
5 - 7 years

Summer never smelled so good! As second in command in the kitchen, little sous-chefs learn basic cooking and baking skills from our head chef to prepare yummy, kid-friendly recipes. They'll practice measuring ingredients, mixing, stirring, and cutting (with plastic knives) and learn the importance of kitchen safety, cleanliness and tidying up afterwards. Creating arts & crafts, playing games and sports, along with special theme days, will help them work up an appetite!

6 - 8 years

Delivered in partnership with *Logic Fusion*

Discover the fascinating field of artificial intelligence and its potential to solve real-world problems while learning the basics. Create your own machine-learning models to classify images, predict labels, and use computer vision. No prior experience with AI is required. Example projects include a Ripe Fruit Checker (determining fruit ripeness), Snap Clap Whistle (identifying sound), and Mask Detector.

## Biz Kids

9 - 11 years

Big businesses start small, and successful entrepreneurs start young. Bring your great business idea to camp, where you'll create a custom product complete with packaging, logo, price and marketing plan! By the end of camp you'll be ready to sell your product at school, a kids market or "lemonade stand" style in front of your house... and make money!

## STEM: Learners

4 - 6 years

A child's curiosity begins at home and continues in the classroom. Using the principles of STEM (Science, Technology, Engineering, Math) young learners play with a variety of materials, including LEGO, to build, explore and discover infrastructure and motion. These cooperative activities teach campers STEM vocabulary and fundamentals (numbers, shapes) as well as basic engineering concepts to help them understand their surroundings. Camp games, sports, arts & crafts and water play complement the learning.

## Straight A's + Summer Days

7 - 9 years

Remember what you (just) learned in school before the summer? Refresh some of the fundamentals you may have forgotten and brush up on the basics, so you're ready to go back to class (and aim for straight A's)! Work your way through literacy and math activities, play brain games and knowledge quizzes, and give mini talks to your peers as you learn to love learning. The start of school may be around the corner, but it's still summer...and it's not camp without outdoor fun too!

## Leadership

### Counsellor in Training

15 - 16 years

Interested in pursuing a leadership role working with children? Do you have a passion for creating imaginative crafts and playing exciting games? This course offers five days of theoretical training followed by a two-week, hands-on placement at a City of Vaughan summer camp to prepare you for a job as a school break camp counsellor. You'll earn valuable, nationally recognized certifications, including HIGH FIVE Principles of Healthy Child Development and Standard First Aid and CPR-C. Upon completion of the full program, you will receive up to 80 volunteer hours for the two-week camp placement. Upon successful completion, you will receive an interview with the City of Vaughan at the conclusion of the program to work in a camp counsellor position the following season.

**Note:** Participants will have a 30-minute unsupervised lunch. More information regarding placement hours will be provided during the program.

## Outdoor Adventures

**NEW! Camp Corral** 

7 - 14 years

Delivered in partnership with *Pathways on Pleasure Valley*

Wonder awaits each camper at this western-style riding ranch boasting 225 of the most breathtaking and tranquil horseback riding forest trails, a charming lodge, a large indoor arena, well-kept grounds, and compassionate horsemanship practices. Daily riding instruction and supervision are provided for approximately one hour by experienced and well-trained stable staff, complemented by a 30-minute horse activity (grooming, general care, stable management) that adds an extra layer of connection with the majestic four-legged companions. Plus, campers enjoy a horse show on Friday afternoon. But adventure extends beyond the saddle. This camp proudly offers a diverse range of alternative activities that promise excitement, exploration and a well-rounded experience. From invigorating hikes, sports and hands-on crafts to engaging nature exploration and farm animal interaction, every moment at Camp Corral will captivate, educate and inspire young hearts.

**Note:** Camp fee includes bus transportation from Vellore Village Community Centre or North Thornhill Community Centre. Bus departure is 7:45am from Vellore Village Community Centre and 8:20am from North Thornhill Community Centre. Camp programming will commence upon arrival at Pathways on Pleasure Valley at approximately 9:00am and will continue until departure at 3:45pm. The bus will return to North Thornhill Community Centre at 4:25pm and to Vellore Village Community Centre at 5pm. Bus pick-up and drop-off times are approximate and may vary between sessions. Bus routes can be between 45-75 minutes in length, from start to finish. Although every attempt is made to meet exact bus times, unforeseen circumstances (i.e. traffic, construction, weather) may delay buses. Camper groups are based upon riding skills first, request and age similarity second. Before & After Care is available from 7:30am until bus departure and after bus drop-off until 6pm. An ASTM/SEI approved riding helmet and paddock riding boots (ankle high, with one-inch heel) are required, and gloves are highly recommended. Required riding equipment is not provided nor included in the camp fee.

## The Urban Gardener

7 - 11 years

Delivered in partnership with the *Parks, Forestry and Horticulture Operations department.*

Grow, learn, play, repeat! Sow the seeds of a greener future as a hands-on gardener at your local park. Learn the science of pollination and propagation - how plants grow and multiply - design and create a container garden, and make crafts using natural items sourced from the natural surroundings. Cultivate your gardening expertise on a day trip to Vaughan's very own horticulture compound, where you'll learn from the experts who beautify our city with hanging baskets, flower beds and shrubs. Showcase your eco-friendly harvest (and your green thumb!) during an end-of-camp display for the entire community to admire.

## NEW! Curtain Call

10 - 14 years

Musical theatre lovers come together for the final curtain call of the summer. Dance, act, sing and design the set as summer comes to a close. Youth will bring characters to life in a two-week theatrical production that will culminate with a live stage performance at the City Playhouse Theatre the evening of the second Thursday of camp. Whether you're new to theatre or a seasoned actor, staff trained in theatre arts will hone and develop campers' natural skills, while also teaching them about the importance of teamwork in building a production. Bravo!

## Trip Takers

10 - 14 years

Do you have the travel bug? Then let's take a different trip EVERY day! Play mini golf, virtual sports, laser tag and arcade games. Visit an aquarium. Bounce around on trampolines and inflatables. These adventurous trips are aimed at trying new things, exploring sites within and beyond our local boundaries, developing leadership skills and (obviously!) having fun.

**Note:** Trip locations vary by camp session. An information package including trip destinations and an informed consent form will be emailed to parents prior to the start of the session.

## Young Yogis

6 - 10 years

Delivered in partnership with *Kind & Confident Ed.*

Find inner peace and self-love by making your summer mindful. Young Yogis shift their focus from perfection to progress and explore, move and grow through mindful yoga games, breathing activities, music fun, and crafting that focuses on the process rather than the product. Young Yogis deepen their mind body soul connection outdoors in the sunshine, through group activities and innovative games.

Sports

Active Kids

5 - 7 years

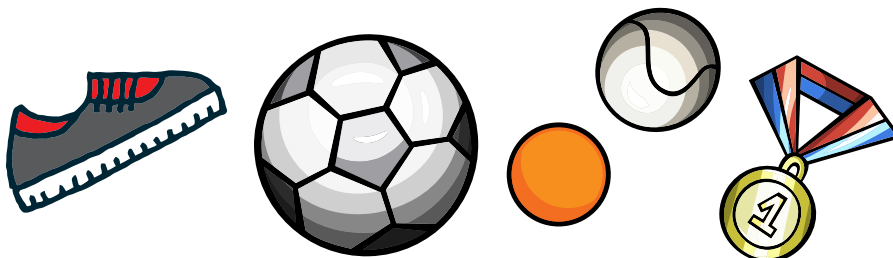

Little athletes are led in a variety of sporty activities beginning with a warm-up of exercises followed by introductory skill development. This high-energy camp encourages physical literacy and builds communication and social skills that are important in team-oriented atmospheres. Traditional camp activities including cooperative games, water play and outdoor active play complement the camp day.

## Ball Hockey

7 - 12 years

Work out the kinks in your game in time for hockey season! Through drills and game play, campers learn proper stick handling, passing and shooting techniques which can be used in ice hockey, while increasing their agility, endurance and overall body and hand-eye coordination.

**Note:** CSA approved helmets with face shield/cage and hockey gloves are mandatory. Hockey sticks and goalie equipment are provided. Participants will be grouped by age and/or skill level.

## Baseball Stars

7 - 12 years

Shine bright on the diamond at Baseball Stars, the ultimate camp for budding ballplayers eager to enhance their skills while having a blast. Dive into the core fundamentals of the game —hitting, throwing, catching and running — while playing ball on one of the City’s premier outdoor baseball diamonds. Participate in spirited games and challenges alongside fellow campers.

**Note:** Baseball glove, bat, helmet and cleats are required. Overnight storage of personal equipment at the facility is not available.

## Bike & Board

7 - 12 years

(Kick)flip the script this summer and cruise the world of biking and skatepark culture. Refine fundamental skills like balance, steering and braking, then get ready to shift gears because it's time to practice basic tricks and conquer specially crafted ramps and obstacles. Then, we'll hit the brakes on perfecting those skatepark techniques to play a series of sports and games with fellow campers. Bike & Board promises a wheelie good time for all skill levels.

**Note:** Proper safety attire required, including running shoes, helmet, knee pads, elbow pads and wrist guards. Campers must bring their own bikes and skateboards. Overnight storage of personal equipment at the facility is not available.

## Golf

7 - 12 years

Delivered in partnership with *Uplands Golf & Ski Club*

It's tee time at Uplands Golf Club! Young golfers are introduced to game terminology, rules, etiquette and technique at Vaughan's scenic (and award winning!) nine-hole golf course. Through a comprehensive daily instruction plan developed by certified PGA of Canada Instructors, and on-course supervision, learn basic swing knowledge—grip, stance, putting—in an energetic and fun atmosphere. Practice your short and long game with active movement and speed enhancing games and drills as you golf under the guidance of trained camp counsellors. Unwind with nature hikes through the valley and creative arts activities.

**Note:** Campers will do a considerable amount of walking the course each day; golf carts will not be made available. Campers will be divided into groups based on age and skill development. Equipment requirements: All participants must have a putter, wedge, one iron, one wood and one driver. Rental equipment is available at a cost of \$25/session. Golf balls and tees are included. Dress code: short sleeved t-shirts or polo shirts, running shoes.

Lunch is not included; campers may purchase lunch at the Club House. Camp runs rain or shine - activities occur in the Club House in the event of inclement weather.

Participants will be grouped by age and/or skill level.

## Train for Triathlon

9 - 13 years

Swim. Bike. Run. Why be good at one sport when you can be good at three! Swim laps in the pool, bike in the cycling studio, and run sprints on the indoor and outdoor tracks. Our qualified staff will lead campers through dry land conditioning and recovery sessions that will help prepare you to compete in an end-of-camp triathlon, where athletes will swim up to 200 metres, bike 5 kilometres and run 2 kilometres.

**Prerequisite:** Swimmer 4 or equivalent.

**Note:** Athletes will be organized into age-appropriate race groups where distances may vary.

## Water Adventures

## Aqua Adventures

Dip into summer! Learn proper stroke techniques and water safety during daily swim instruction, followed by fun water play including water polo, lifesaving sports, underwater hockey and recreational swimming. Campers dry off with activities such as arts & crafts, games and outdoor sports. Swimmers may be placed in a multi-level teaching environment, which allows instructors to teach students at various skill levels within the same group. Material learned is developed by the Lifesaving Society. This program is for participants in the associated Swimmer level. Students receive a final report card.

## Aquasport

Would you rather be in the water than on land? Spend the summer playing sports, in the pool! Based on the sport of lifesaving (yes, it's a sport!) train in individual lifesaving events including an obstacle swim, tow with fins, lifesaving medley, throwing accuracy, and object support; and team events: manikin relay, obstacle relay, swim with fins, and medley relays. Emphasis is placed on improving overall fitness, including, strength, power, and endurance, and promoting teamwork, sportsmanship, achieving personal bests and having fun. Campers also enjoy water polo, synchro and competitive swimming, then dry off with fun activities including arts & crafts, games and outdoor sports. Besides having fun in their element, water lovers will grow confident in the pool environment and develop strong swimming skills for success in future swim lessons and aquatic leadership programs.

**Prerequisite:** Swimmer 4.

“My daughter loved the activities and swim time. Will return next year.”

## Aquasquirts

4 - 6 years

A camp for the child who loves to spend their summer in the pool! Little swimmers enjoy various aquatic activities, such as water safety, relay races, sing songs and cooperative games. While having fun in the water jumping, rolling, spinning, twisting, and turning upside down, children grow more comfortable and confident in the pool environment and develop basic swimming skills. Campers dry off with activities such as arts & crafts, games and outdoor sports. On the last day of camp, campers will receive a certificate with recommended swim levels.

## Junior Lifeguard Camp

7 - 12 years

Love the water but want more than “lessons”? Dive in and learn how lifeguards train: practice swimming strokes, first aid situations and rescues through friendly competition in an environment that mixes work with play and focuses on personal-best achievement. Throughout the summer track your progress collecting stickers from the Canadian Lifesaving Society for your ‘Junior Lifeguard’ journal, and work towards completing all your Swim Patrol levels. Water you waiting for?

**Prerequisite:** Swimmer 5/6.

## Lifeguard Training

12 - 15 years

Dive into an unforgettable summer adventure and unlock the ultimate skills that save lives all while having a blast. Perfect your swimming strokes, learn first-aid techniques that could be a game-changer in emergency situations, and build the fitness and judgment skills essential for becoming an aquatic leader. Alongside your new friends, you’ll problem solve through mock lifesaving situations and challenge yourself through wet and dry co-operative games that mimic real-life rescue scenarios.

**Prerequisite:** Bronze Star/Swimmer 10.

**Note:** This camp does not certify participants in aquatic leadership certifications.

## Trip Takers: Splash N' Go

10 - 14 years

Water lovers embark on daily aquatic excursions to some of the 'coolest' water locales. Live your best camp life by the water, with trips to lakes and water parks.

**Prerequisite:** Swimmer 4 or equivalent.

**Note:** An information package which includes trip destinations and an informed consent form will be sent out prior to the start of the session. All participants will undergo a swim test at their home pool. Unsuccessful swim test participants will be required to wear a life jacket for the duration of the stay at the aquatic facility. Trip locations vary by camp session.

# Summer Day Camps

## FUN for everyone!

Recreation Services is committed to making summer camps and programs accessible and supportive to children of all abilities.

Before registering a child with a disability, or for information on accessible camps, please contact:

### Atlantis Aquatic Adventure

8 - 12 years

Dip into summer! A camp designed for children who love to spend the summer in the pool. Swimmers receive daily instruction in aquatic skills and drills designed to increase knowledge, strength and endurance. Participants will experience adapted water sports, relay races, cooperative games and recreational swimming. During dry off campers enjoy arts & crafts, games and outdoor activities.

**Note:** Participants must be toilet independent and able to participate in a group environment safely. Due to safety reasons, campers with a seizure disorder will require 1:1 staff support (cost is covered by parent/caregiver).

### Cuisine for Life

8 - 12 years

Let's get cookin'! Participants find fresh, seasonal and healthy ingredients in their 'baskets' to create a new menu each day. By preparing meals, participants become more independent and learn life skills such as creativity, nutrition, being adaptive and how to make healthy lifestyle decisions on their own. Mornings are spent cooking in the kitchen, afternoons are filled with recreational activities, including swimming.

## ECO-Sense

6 - 12 years

Get a taste of nature - see, smell, touch and listen to the outdoors all summer long! This adventure camp uses environmental elements to stimulate all the senses. Facilitated by specialized staff and volunteers, campers enjoy hiking, water play, gardening, environmental lessons, crafts, self-directed exploration and active games. The focus (besides fun!) is developing fundamental movement skills while connecting with nature.

### Does your child require additional support at camp?

Participants generally require 1-on-1 support according to the following criteria:

- Extra support is required at school.
- Additional support or assistance is required at home for basic personal care needs such as eating, dressing or toileting.
- A disability exists that affects mobility, communication, comprehension, social interaction and/or behaviour.
- The child is currently diagnosed with a disability.
- The child has difficulty participating independently in a group setting.

All participants with a disability are required to complete the [Inclusion Information Form](#) available at your local community centre or online at [vaughan.ca/camps](http://vaughan.ca/camps) before the first day of camp and submit to [inclusion@vaughan.ca](mailto:inclusion@vaughan.ca).

## Kool Summer Dayz

13 - 21 years

Keep kool this summer! Spend your days cooking, creating arts & crafts, playing cooperative games, enjoying theme days and kool special guests with new friends. With a focus on improving social skills and staying active, camp counsellors provide an intensive level of attention, support and encouragement at this camp, geared to individuals with disabilities.

**Note:** This program is adaptable to different ability levels and staff support (1:2) may be provided (cost must be covered by caregivers).

# Inclusion Support

**Recreation Services encourages and supports the participation of individuals with disabilities in diverse recreational opportunities, at a level of participation suitable to their ability and program of choice.**

If an individual requires support to participate in a program, a caregiver/mediator must present a support person ID card for free admission.

To determine your child's eligibility for support or to book an assessment, contact the Recreation Supervisor of Inclusion and Support Services 905.832.2377 ext. 7405 or email [inclusion@vaughan.ca](mailto:inclusion@vaughan.ca).

## Need an integration counsellor?

Your child will require 1:1 support to participate in all recreational programs if he/she:

- requires additional support at school, home or in the community with basic needs such as dressing, toileting or feeding;
- has a tendency to exhibit aggressive behaviours;
- does not understand danger;
- has a disability that affects his/her communication, mobility, comprehension and/or socialization.

**Note:** It is the responsibility of the parent/guardian to cover the cost of the Integration Counsellor.

## Inclusion support request deadlines

**Weeks 1-4: April 26 • Weeks 5-9: May 10**

Recreation Services attempts to accommodate requests for additional support for children with a disability. However, due to the number of requests, support cannot be guaranteed or may not be available during the session(s) of your choice. Cancellation & withdrawal information for 1:1 Inclusion Assistant support can be found in the [Frequently Asked Questions](#).

## Need a volunteer?

Volunteer support is offered to an inclusion program participant that:

- has a mild disability affecting the safety of the individual with a disability or other program participants;
- requires extra support at home and school;
- is currently diagnosed with a disability.

### Note:

- Demand for volunteers often exceeds supply and cannot be guaranteed.
- Volunteers may be working with individuals with disabilities for the first time.
- They do not assist with toileting, administering medication, lifts and transfers, or with children with behavioural challenges.

For health and safety reasons, if a volunteer is not available or suitable for a participant's needs, parents/caregivers will be required either to provide their own support worker or hire an Integration Counsellor through the Department.

## Code of Conduct

The City of Vaughan is committed to fostering an inclusive environment that reflects the rich diversity of our community. We strive to provide a respectful and safe program experience for both our participants and our staff. Should any participant exhibit disrespectful, inappropriate, or discriminatory behaviour, we will pursue disciplinary action, including removal from the program or camp.

### Need your own support worker?

It is in the best interest of the child to have a support worker who:

- has had previous and successful experience working with children and, preferably with your child;
- has a good understanding of your child's needs; and an ability to interact with him/her successfully;
- will participate and blend easily into a recreational setting.

1:1 support experience could include any of the following:

- mediation experience (supplied by family, agency, association, organization, etc.);
- babysitting experience;
- a family member or friend (if suitable, close to the age of staff/instructors) who can participate in all recreational activities.

**Note:** All own support workers must provide a Vulnerable Sector Check and sign a release of liability.

### Inclusion support & resources

#### Support Person Identification Access Card

- An identified “support person” who accompanies a person with a disability in a program shall enter the program at no cost/fee.
- The support person shall assist/support the person with a disability in the program at all times, and shall be within arms length from the individual with a disability.
- Eligible support persons shall be offered an identification access card in an effort to facilitate easy access/entry to recreation programs and services.
- A fee is applicable should the support person be participating in a program not in the capacity or acting in the role of a “support person.”

To obtain a support person identification access card, contact the Recreation Supervisor of Inclusion and Support Services at 905.832.2377 ext. 7405 or email [inclusion@vaughan.ca](mailto:inclusion@vaughan.ca).

#### York Region Recreation Subsidies

York Region offers subsidies for recreation programs, day camps and youth leadership camps. These subsidies provide children from families with low income the ability to take part in programs offered by the municipal recreation departments. The youth leadership camp funding provides families with the ability to attend an approved overnight camp.

Three subsidies are available:

- Positive Leisure Activities for Youth (PLAY) Funding for children/youth 4-18 years and single parents is available fall, winter and spring.
- Summer Camp Funding for children 4-13 years is available July and August.
- Youth Leadership Camp Funding for children/youth 13-17 years is available July and August.

For eligibility criteria, visit [york.ca](http://york.ca) or call the KIDS LINE (1-888-703-KIDS).
